

Стремление к единому формату блоков текста

Иногда на странице есть блоки с текстами и тп, в таких блоках нужно явно понимать внутренние отступы от текста и делать их одинакового стандарта в подобных блоках если они повторяются на странице несколько раз.

Expert mentorship from Ukraine and global entrepreneurs and investors who will provide hands-on support and introductions;

60px

Access to a global network of mentors, partners, and experts;

151px

139px

164px

Opportunities to meet angel and VC investors, including through a "demo day" that celebrates your achievements with investors, corporates, mentors, and press attendees;

Continued post-program support, after the 4-month program is completed, through alumni-only events and introductions.

business angels?

will investors' collaboration support you

supporting you
